TITLE: PUMP PARTS – GORMAN RUPP PUMPS

RFB #: RFB-RC-2022-136

SPECIFICATIONS

1. SCOPE

- 1.1. This bid is to provide pricing for replacement parts for various Gorman Rupp Horizontal Self Priming Pumps as required by the County of Rockland Sewer District #1 (RCSD#1) and any other authorized Rockland County Agency. Parts will be ordered on an as needed basis. This bid does not cover the purchase of new pumps.

2. REQUIREMENTS

- 2.1. Bidder must supply pricing on **Gorman Rupp** OEM ONLY parts or approved equal and to be supplied by an authorized **Gorman Rupp** Engineered Systems Distributor or equivalent. Proof of Distributorship must be included in the bid submission.
- 2.2. The pump & parts manufacturer must be ISO 9001:2015 revision certified, with scope of registration including design control and service after sales activities. Proof of Certification to be submitted with the bid proposal.
- 2.3. The pump & parts manufacturer must be registered to the ISO 14001 Environmental Management System standard and as such is committed to minimizing the impact of its activities on the environment and promoting environmental sustainability by the use of best management practices, technological advances, promoting environmental awareness and continual improvement. Proof of Certification must be submitted with the bid proposal.

2.4. WARRANTY

- 2.4.1. The pump manufacturer must warrant the pump equipment to be of quality construction, free of defects in material and workmanship. A written warranty must include specific details described below.
- 2.4.2. All equipment, apparatus, and parts furnished must be warranted for sixty (60) months, excepting only those items that are normally consumed in service, such as oils, grease, packing, gaskets, O-rings, etc. The pump manufacturer must be solely responsible for warranty of the pump equipment and all components.
- 2.4.3. Components failing to perform as specified by the engineer, or as represented by the manufacturer, or as proven defective in service during the warranty period, must be replaced, repaired, or satisfactorily modified by the manufacturer.
- 2.4.4. It is not intended that the pump manufacturer assume liability for consequential damages or contingent liabilities arising from failure of any vendor supplied product or part which fails to properly operate, however caused. Consequential damages resulting from defects in design, or delays in delivery are also beyond the manufacturer's scope of liability.
- 2.4.5. This limited warranty must be valid only when installation is made, and use and maintenance is performed in accordance with manufacturer recommendations. The warranty must become effective on the date of acceptance by the purchaser or the purchaser's authorized agent, or sixty (60) days after installation, or ninety (90) days after shipment from the factory, whichever occurs first.

5. PRICING ADJUSTMENTS

The County recognizes this product or service has a price component that may have a commodity with changing costs. The Contractor/Supplier may request a Price Adjustment no more frequently than once each quarter (3-month period).

A Price Adjustment request must be made in writing and include the reason for the request, documentation supporting the request (ie, commodity increases), the current pricing, and the requested revised pricing.

The County will review the Price Adjustment request. If the Price Adjustment is deemed reasonable the Price Adjustment request will be accepted by written acknowledgement. If the request is not accepted the County may entirely reject the request or may counter with revised pricing. In either case the County will provide a written explanation in support of the decision.

The Director of Purchasing may use available indexes (e.g. CPI or PPI) to determine if the requested Price Adjustment is reasonable. Typically, a Price Adjustment that exceeds 5% will not be approved unless very unusual and significant changes have occurred in the industry.

In the event industry costs decline, the County shall have the right to receive, from the Contractor, a reasonable reduction in prices/pricing that reflect such cost changes in the industry. The County will make a written request to the Contractor for a Price Adjustment in writing with supporting documentation.

6. DELIVERY

- 6.1. For items in stock at the vendor’s place of business, delivery must be made immediately after receipt of order by the vendor.
- 6.2. For items not in stock, the vendor must make delivery immediately after his receipt of the parts from the manufacturer.
- 6.3. All deliveries must be made during the hours of 8:00AM to 2:00PM to the location specified on the Purchase Order.

7. AWARD

- 7.1. This bid must be awarded in its entirety to the lowest responsive, responsible bidder meeting the stated requirements.
 - 7.1.1. The County reserves the right to award this contract on a line by line basis to the lowest responsive responsible bidder(s) meeting the stated requirements.

PUMP PARTS-GORMAN RUPP PUMPS

The information in this addendum supersedes any contradictory information set forth in the contract documents. Acknowledge receipt of this addendum in the space provided on the signature page of the bid proposal. Failure to do so, may subject the bidder to disqualification. This addendum forms a part of the contract documents.

Question #1:

I have been able to find specs on these pumps, however there are tons of variants with different impeller trims, etc. Without knowing Flow/Head and application of what needs to be pumped, I am going to struggle to quote an equivalent on these. Would you be able to gather this info from the customer requesting this quote?

Answer #1:

The district provided serial numbers for existing pumps- that should be enough information to find pump curves. We are looking for pump parts-not equivalent pumps.
