**PURCHASES BY UNITED STATES AGENCIES, OTHER STATES AND POLITICAL
SUBDIVSIONS THEREIN, LOCAL GOVERNMENTS, SCHOOL DISTRICTS,
AND NON-PROFIT AGENCIES**

As per the New York State General Municipal Law, § 103(3) all political subdivisions of New York State are allowed to make purchases through the resulting contract(s). As per Rockland County Procurement Policy § 140-13, the United States of America or any agency thereof, any state, or any other political subdivision or district therein and certain Non-Profit Agencies approved to participate in New York State’s Contract Extension Program are authorized to make purchases through the resulting contract(s).

1. The County of Rockland shall make all contract award information available to other political subdivisions and non-profit agencies through the **Empire Procure Connect Marketplace**.
2. Any other political subdivision or Rockland County non-profit agency will issue purchase orders directly to vendors within the specified contract period referencing the County’s contract and shall be liable for any payments due on such purchase orders; and shall accept sole responsibility for any payment due.
3. All purchases shall be subject to audit and inspection by the other political subdivisions and Rockland County non-profit agencies for which the purchase was made.
4. No officer, board or agency of a county, town, village, or school district shall make any purchase through the County when bids have been received for such purchase by such officer, board or agency, unless such purchase may be made upon the same terms, conditions and specifications at a lower price through the County.
5. All Bidders shall be on notice that as a condition of the award of a County contract, the successful bidder shall accept the award of a similar contract with any other political subdivision in New York State and Rockland County non-profit agencies authorized to use New York State’s contracts, if called upon to do so. A listing of approved Rockland County non-profit agencies is available on the Purchasing Division’s website at www.rcpurchasing.com. The County, however, will not be responsible for any debts incurred by the participants pursuant to this or any other agreement.
6. Necessary deviations from the County’s specifications in the award of a participant contract, whether such deviations relate to quantities, or delivery points shall be resolved between the successful bidder and the other political subdivisions and Rockland County non-profit agencies.

3. BRAND NAME

- 3.1. The use of a brand name is for the purpose of describing a standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.

4. APPROVED EQUAL OR EQUIVALENT ITEMS

- 4.1. Bidder must guarantee in writing with their bid and be able to demonstrate within one-week notice the interconnectability of their equipment with the existing equipment.

5. QUANTITIES

- 5.1. Quantities listed are estimates. Parts will be ordered on an as needed basis.

6. PRICING

- 6.1. All pricing submitted for the specified items must be FOB Destination.
 6.2. Bidders must submit unit pricing for the specified items.

7. PRICE ADJUSTMENT

- 7.1. The County recognizes this product or service has a price component that may have a commodity with changing costs. The Contractor/Supplier may request a Price Adjustment no more frequently than once each (6-month period).

A Price Adjustment request must be made in writing and include the reason for the request, documentation supporting the request (ie, commodity increases), the current pricing, and the requested revised pricing.

The County will review the Price Adjustment request. If the Price Adjustment is deemed reasonable the Price Adjustment request will be accepted by written acknowledgement. If the request is not accepted the County may entirely reject the request or may counter with revised pricing. In either case the County will provide a written explanation in support of the decision.

The Director of Purchasing may use available indexes (e.g. CPI or PPI) to determine if the requested Price Adjustment is reasonable. Typically, a Price Adjustment that exceeds 5% will not be approved unless very unusual and significant changes have occurred in the industry.

RFB-RC-2025-012

In the event industry costs decline, the County shall have the right to receive, from the Contractor, a reasonable reduction in prices/pricing that reflect such cost changes in the industry. The County will make a written request to the Contractor for a Price Adjustment in writing with supporting documentation.

- 7.2. Bidder must enter a percent (%) discount off Mfg. suggested retail list price for replacement parts not specified.
 - 7.2.1.1.1. Bidder must submit a percent discount off of the official manufacturer’s published retail price list for replacement parts not specifically listed. Current Mfg. suggested retail price list must be uploaded with your bid submission.
 - 7.2.1.2. The price bid must be in the form of a percent discount from manufacturer’s suggested retail list price. Suggested retail list price must be defined as that published in their latest standard printed price list. Bidders must enter, in the space provided on the proposal pages, the applicable discount which must remain firm for the life of the contract.
 - 7.2.1.3. Industry wide increases, as reflected in newly published manufacturer’s price listings will be honored.
 - 7.2.1.4. In as much as the price list in the possession of the Division of Purchasing must be the governing copy, it must be the responsibility of the successful bidder to ensure that the current price sheets are forwarded to the Division of Purchasing.
 - 7.2.1.5. Under the authority of any resultant award hereto, the County of Rockland specifically reserves the right to award any such additional items as may be required for its operations.
 - 7.2.1.6. Price increases will not be allowed unless the Division of Purchasing is in possession of the current price sheets.
 - 7.2.1.7. All discounts must be firm and fixed for the specified contract period.
 - 7.2.1.8. Discounts offered must be expressed as a single percent (%) figure. Offers containing chain or multiple discounts may be considered non-responsive.
 - 7.2.1.9. If there is not a percent discount offered bidder must indicate “0%”.
 - 7.2.1.10. This price list must be the current manufacturer’s retail price list at the time of bidding and as updated by the manufacturer during the life of the contract.
