EXECUTIVE SUMMARY

The County of Rockland is issuing this competitive solicitation to establish contracts for the purchase of Live Ammunition, Less-Lethal Ammunition, and Less-Lethal Gases & Grenades. Awards will be issued by manufacturer and product line based on the highest percent discount off the manufacturer's official MSRP. Political subdivisions across New York State may make purchases from the resulting Rockland County contracts pursuant to Section 103(3) of the New York State General Municipal Law, which permits other political subdivisions to purchase from a county-awarded contract if authorized by their governing body. The current statewide ammunition contract has expired, and there is no active cooperative contract available for New York law enforcement agencies. Because of this need, the County of Rockland is issuing an accelerated solicitation with an anticipated 2-week response window.

SCOPE OF WORK

Competitive Bid: Live Ammunition, Less-Lethal Ammunition, and Less-Lethal Gases & Grenades

1. Purpose

1.1. The County of Rockland seeks to establish contracts for the supply of live ammunition, less-lethal ammunition, and less-lethal gases and grenades. Contracts will be awarded by manufacturer/product line to the responsive and responsible bidder offering the highest percent discount off MSRP.

1.2. Contract Term and Product/Price List Updates

The contract term will be:

- One (1) base year, and
- Three (3) optional one-year renewals at the County's discretion.

Additional provisions:

- Contractors may request to add new products from awarded manufacturers during the contract term, provided the newly added items are offered at the same discount percentage originally awarded.
- Updated MSRP price lists may be submitted every 6 months with at least 30 days prior notice.
- Discounts off MSRP must remain firm throughout each contract year.
- Contract Lots
Bidders may bid on one or more lots.

2. Lots

- Lot 1 – Live Ammunition
Manufacturers: Federal, PMC, Remington, Sig Sauer, Vista/CCI/Speer, Winchester
- Lot 2 – Less-Lethal Ammunition
Manufacturers: Combined Tactical Systems (CTS), FN America, Pepperball, Vista/Federal Force on Force, UTM Blank, UTM Man Marking, UTM Non Marking, UTM Target Bullet, UTM Weapon Conversion, UTM Weapon Accessories, UTM PPE

3. Eligibility of Purchasers

The resulting contracts may be used by the County of Rockland and, where applicable, by other political subdivisions authorized under NYS GML 103(3) to purchase from county-awarded contracts.

4. Instructions To Bidders

- Submission Method – Electronic Response Recommended. Hardcopy Response Allowed.
- All bid responses must be submitted in accordance with the instructions provided in the solicitation announcement.

5. Required Bid Contents

A complete bid must include:

- Percent discount offered for each manufacturer/product line being bid
- Completed bidder information forms and certifications
- Confirmation of ability to supply products statewide, as applicable
- Any required attachments or affidavits specified in the solicitation

6. Pricing Requirements

- Discounts must be expressed as a fixed percentage off the official manufacturer MSRP.
- Discounts must remain firm for the full contract year.
- Added products must be priced at the same discount originally awarded.
- Corresponding official, current MSRP price lists must be submitted with bid.

Pricing and Discount:

Because this cooperative bid represents the combined purchasing needs of counties, municipalities, law enforcement agencies, and other political subdivisions across New York State, participating entities anticipate that overall purchasing volume may be comparable to or greater than that of individual state agencies for similar ammunition products.

To support the goals of the cooperative and to ensure fair and competitive pricing for all participants, contractors are encouraged to offer pricing, discounts, and incentives that are consistent with, or more favorable than, those provided under any current New York State centralized contracts for comparable ammunition items.

By submitting a proposal, the Contractor acknowledges that:

1. The pricing and discount structure offered through this cooperative solicitation is intended to reflect the aggregate purchasing power of local governments and law enforcement agencies; and
2. If, during the term of the resulting contract, the Contractor provides improved pricing or discount terms to a New York State agency or through any statewide contract for comparable ammunition, the Contractor agrees to extend those improved terms to cooperative participants upon request.

This provision is intended to promote fairness and maintain competitive value across state and local purchasing channels.

7. Questions and Clarifications

- Questions must be submitted electronically to the contact listed on the cover sheet.
- The County will issue responses publicly to ensure equal access to information.

8. Bid Due Date

- Bids must be received by Thursday, April 23, 2026 at 3:00PM indicated on the cover sheet. Late submissions will not be considered.
- Question acceptance deadline is Monday, April 20, 2026 at 3:00PM.

9. Evaluation

9.1. Evaluation will include:

- Highest percent discount off MSRP
- Completeness and responsiveness of bid
- Responsibility and qualifications of the bidder
- Compliance with submission requirements

10. Expected Timeline

- Because the solicitation is straightforward and discount-based, the anticipated turnaround for responses is 2 weeks from issuance.

ADDENDUM # 1

RFB-RC-2026-035

Ammunition, Live, Less Lethal, Gases & Grenades

The information in this addendum supersedes any contradictory information set forth in the contract documents. Acknowledge receipt of this addendum in the space provided on the signature page of the bid proposal. Failure to do so, may subject the bidder to disqualification. This addendum forms a part of the contract documents.

- 1. Bid Bond / Bid Security, we are confirming that there is nothing for that in this solicitation?**

Answer: Correct

- 2. The solicitation states that an updated MSRP price list may be submitted every 6 months with at least 30 days prior, however, does the pricing need to be held for the first 1 year of the contract before updated pricing can be submitted?**

Answer: You may submit an updated price list every 6 months with a 30-day notice. Percent discount must remain firm for the contract period.

- 3. Is there a min/max on the pricing increase that can happen at the time of a new MSRP List?**

Answer: No. Pricing will be adjusted in accordance with the current MSRP price list.

- 4. If a new pricing structure cannot be agreed upon with the vendor, will the contract terminate?**

Answer: If an agreement cannot be reached, yes, the contract can be terminated at time of contract renewal.

5. Delivery, we did not see anything in here stating delivery times, can you please address this?

Answer: Delivery hours will be Monday to Friday 9AM-5PM. Vendors must provide lead times upon receipt of a Purchase Order.

6. Just to confirm, vendor does not have to bid on all lots to qualify for an award correct?

Answer: Correct, it will be a line for line award based on highest percent discount off MSRP.

7. Insurance \ - Some of the insurance coverage that you have stated is not covered by the distributor but covered by the manufacture, sometimes it is multiple days before a vendor can get certificates of insurance from the manufacture that show coverage of things like product liability, personal liability, etc, these are things that distributors do not carry in their insurance policies since these are covered by said manufactures.

Answer: We are contracting with the vendor; therefore, it is the vendor's responsibility to provide their own insurance to the County in accordance with the attached matrix in the bid.
