ADDENDUM # 1

RFP-RC-2021-020

Drug and Alcohol Testing Services NON-FTA/DOT

The information in this addendum supersedes any contradictory information set forth in the contract documents. Acknowledge receipt of this addendum in the space provided on the signature page of the bid proposal. Failure to do so, may subject the bidder to disqualification. This addendum forms a part of the contract documents.

Question #1: Will the County accept electronic chain of custody?

Response#1: Yes.

Question #2: Does the County currently utilize a random scheduling/Notification Line?

Response #2: Random Scheduling/Notification Line is only utilized by our District Attorney's Office at this time.

Question #3: How many samples/month are being shipped directly to the client compared to being picked up from the County location?

Response #3: Approximately 200 urine/oral fluid collection samples were picked up from the County per month in 2020. Approximately 75 video collection kits were shipped directly to the clients in 2020.

Question #4: Is it possible to see previous bid pricing?

Response #4: The current award is in uploaded in the Bonfire system.

Question #5: Please clarify video collection in section 2.3.1 – 2.3.2

Response #5: Due to the COVID-19 Pandemic Rockland County Departments have utilized video collection drug testing. Collection kits are to be shipped directly to the client/patient's home. The Rockland County using department, or the Laboratory will be viewing the client/patient self-administer the oral fluid swab on a live video feed. The clients will ship the sample directly to the laboratory in a pre-labeled shipping container.

Question #6: Will you be requesting pricing for all the testing we are capable of doing?

Response #6: Pricing for all tests requested on the bid table are required.

Question #7: Are the pick-up times flexible?

Response #7: Pick up times may be changed with authorization by the using department, however once a time is determined the pick-up times must be on a consistent schedule.

Question #8: How many techs will we need to have in place?

Response #8: Rockland County Departments will be collecting specimens in County offices. Field technicians are not required.

Question #9: Is there a three-month trial period?

Response #9: The contract term will be for one year. See terms under Failure to Perform listed in the RFP.

Question #10: Will there be other tests being requested? If so, how would pricing for that to if not in the contract addendum?

Response #10: Please see section 7 subsection 7.1 and 7.1.1.

Question #11: Will there be multiple locations?

Response #11: Pick up locations are listed in Section 3 sub-section 3.1.1-3.1.3.

Question #12: Is this just for Rockland County contractors?

Response #12: No, vendors from any area may submit a proposal.

Question #13: Under article 7 subsection 7.1 do you know what other testing the County may need so that we can include a price list?

Response #13: No, list price should include all tests the laboratory performs.

Question #14: How far in advance will we get if time and days and locations change.

Response#15: The County Departments have scheduled pick up times, if a department requires a change 24 hours' notice will be given to the laboratory.

Question #16: Is the excel spreadsheet (Drug and Alcohol Testing Services (BT-49DX)) required to be submitted?

Response #16: Yes, the submission can not be completed without the completed bid table. All line items require pricing. If the price is zero then \$0.00 must be added in the bid table.

Question #17: Is Rockland County looking for the bidder to hire legal representation in the event that a result or collection is being challenged/disputed in court?

Response #17: No, the County will require a laboratory technician/scientist to testify the validity of testing and results.

Question #18: What are the requirements for a video collection? Our company interpreted it as the materials are provided to patient and the bidder observes the collection via video (Zoom, Microsoft Team Meeting, etc.) to ensure the collection is done properly and honestly; is this interpretation correct?

Response #18: Yes, this interpretation is correct, however the County of Rockland Department may opt to observe the collection.

Question #19: Instant Drug testing Kit- Our company interpreted this as a kit with the following items shipped to the departments of Rockland County or a patient: urine specimen cup, rapid testing device, chain of custody form (for confirmation testing), tamper evident tape, blue dye tablet, pair of gloves. Is this interpretation correct?

Response #19: Yes.

Question #20: Cost Proposal to be submitted- Is this the cost for the vendor to provide the scope of work in the RFP.

Response #20: See page 13, for information on the cost proposal.

Question #21: In the price list, line item 2-12, the price requested is for a “URINE DRUG TEST - Lab Screen with Auto confirmation: Single Drug Stand Alone, price of test and confirmation.” What drug is requested for this line item?

Response #21: Alcohol

Question #22: Line item 3-3 requests a price for “ORAL FLUID TESTING: Custom Panels: Lab Screen with auto confirmation, single drug Add-ons.” What drug(s) will be requested for this line item?

Response #22: Dextromethorphan

Question # 23: What substances are included in the Inhalant Panel?

Response #23: Difluoroethane and Tetrafluoroethane (constituents of cannedair), Methyl Ethyl Ketone, Freon, Benzene, Toluene, Xylene(s), TCE, Chloroform, Ketones and Alcohol(s).

Question #23: 3.1.8 on page 6 asks for negative results to be transmitted within 24 hours. Can you confirm this is 24 hours from receipt by the lab?

Response #23: Yes
