NOTE TO AUTHORIZED USERS:

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements.

Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

PRICE:

The following terms and conditions apply to Contract pricing. See also Appendix B, Section 13 Pricing.

- A. Commonly Stocked Parts. The NYS Contract Price for the Contractor's complete Product Line of Commonly Stocked Parts shall be a discounted price from the List Price included on the Contractor-Published Price List at the time the Purchase Order was received. The discount applied shall either be the agreed-upon NYS Discount Percentage identified in the Contract and on the Contract Award Notification page on the OGS website, or a greater discount. The NYS Discount Percentage may be increased by the Contractor at any time during the Contract term, but may not be decreased for the entire term of the Contract. The NYS Discount Percentage may be increased using Appendix D – *Contract Modification Procedure*.
- B. Direct Order Parts. The NYS Contract Price for the Direct Order Parts shall be OEM Invoice Price plus an additional percentage. The additional percentage shall either be the agreed-upon NYS Cost-Plus Percentage identified in the Contract and on the Contract Award Notification page on the OGS website, or a lesser percentage. The NYS Cost-Plus Percentage may be decreased by the Contractor at any time during the Contract term, but may not be increased for the entire term of the Contract. The NYS Cost-Plus Percentage may be decreased using Appendix D – *Contract Modification Procedure*.
- C. Services. If the Related Product is a service (e.g. Parts installation at the Contractor Location, inventory stocking program or technician training), the price charged shall either be the price identified in the Contract and on the Contract Award Notification page on the OGS website, or less.
- D. Pricing Incentives and Rebates. More favorable pricing can be offered to Authorized Users and it is expected that Authorized Users will obtain the same rebates and special offers such as regional and national promotional pricing as provided to other customers. If the aforementioned pricing offer provides a lower price than the NYS Contract Price, then the Authorized User shall receive the lower of the two prices.
- E. Delivery. Standard delivery shall be provided at no additional expense to the Authorized User (see Section 3.9 - *Product Delivery* and definition of NYS Contract Price in Section 1.5 - *Definitions*). Additional charges for an emergency or rush delivery may be made with prior approval from the Authorized User. Such Emergency or rush shipping charges shall be at or below the rates charged in the Contractor's normal course of business, and shall be added to the invoice as a separate line item. In the event an emergency or rush delivery is required as the result of a Contractor's error, all shipping cost shall be paid by the Contractor.
