## **SPECIFICATIONS**

### **1. SCOPE OF WORK**

- 1.1. The County of Rockland is looking for a Contractor to perform scheduled preventative maintenance and emergency service calls for sewer line cleaning. Internal camera inspections of lines four inches (4") to sixteen inches (16") in size may also be required as well.
- 1.2. Contractors shall provide all labor, material, equipment and supervision required to perform scheduled preventive maintenance sewer line cleaning at Buildings A and G of the Dr. Robert L. Yeager Health Center, Pomona, New York plus emergency service calls as required for Rockland County government facilities as per these specifications. Rockland County government facilities include the Dr. Robert L. Yeager Health Center in Pomona, Rockland County Government Center in New City, Rockland County Sewer District #1 (RCSD#1) in Orangeburg, Rockland Community College in Suffern and any other agency location of the Rockland County Government and various sanitary sewer lines across Rockland County including residential hook-ups.

### **2. SITE VISIT**

- 2.1. Although, a site visit is not required, all bidders are strongly encouraged to visit the job site at Buildings A and G to familiarize themselves with field dimensions and conditions prior to submitting their bid. Please note, the bidder must complete the work as specified whether or not he/she visits the site. Inspections can be scheduled by calling Mr. Patrick Horan, Assistant Director, Facilities Management at (845) 364-3846 or Mr. Robert Gruffi, P.E. Director, Facilities Management (845) 364-2958. For work taking place at Rockland Community College, contact Ms. Myriam Murphy at (845) 574-4200 for a site visit. While there is no site visit required for the RCSD #1, you may contact Mr. Josue Thomas at (845) 365-6111, with any questions.

### **3. EXPERIENCE**

- 3.1. Contractor shall have a minimum of three (3) years of experience in the cleaning and servicing of commercial and industrial sewer lines similar in size and scope to the work specified herein.
- 3.2. Contractor shall submit with their Bid a list of three accounts (including contact person and telephone number) for which they are presently performing contract sewer cleaning work.

### **4. QUALIFICATIONS OF CONTRACTORS**

- 4.1. The bidder shall show that he has available under his direct employment and supervision the necessary organization and facilities to properly fulfill all the services and conditions required under these specifications.
- 4.2. The contractor shall show that he has maintained an organization capable of performing the work specified herein, and that said organization has been in continuous operation for at least the past three years. Contractor shall submit the following information with bid:
  - 4.2.1. Years of operation.
  - 4.2.2. The names of the employees in the area responsible for this contract, their function in the company, title, and number of years of service with the contractor's firm.
  - 4.2.3. The present address of the main operating office of this organization.

- 4.2.4. Documentation indicating technical personnel experience (3 years minimum).
- 4.2.5. Contractor shall have on staff a minimum of three technicians experienced in the operation and use of sewer cleaning equipment required under these specifications.

## 5. EQUIPMENT

- 5.1. The Contractor is responsible for providing all equipment necessary to efficiently perform all work in a professional and workmanlike manner. The Certificate of Equipment (a part of these Bid Specifications) must be completed and included with the Bid submittal.
- 5.2. Contractor shall use Harben, or equal, high pressure water jet equipment with other equipment as needed to remove grease, solids, and other similar matter typically encountered in the cleaning of sewer pipe. Contractor shall furnish with their Bid, a list and description of all major equipment to be used in the performance of these specifications. The use of gasoline, propane or similar powered equipment will not be permitted to be used inside of any building.
- 5.3. Contractor shall have available mechanical pipe cleaning equipment, as may be required. Equipment such as typical 'root cutters' and/or necessary cutters for protruding connections, excessive grease and the like. Appropriately trained employees shall be provided should such need arise to ensure complete sewer cleaning operations.
- 5.4. Water for the jet equipment will be provided by the facility. Contractor shall have all required plumbing connections/adapters.

## 6. COVERAGE

- 6.1. Contractor shall have a staffed office to take service calls twenty-four hours per day, 365 days per year. An answering service is acceptable, however, answering machines or voice mail are not acceptable. Upon arriving at the job site, technicians must check in with Owner's Representative. Contractor must obtain Owner's approval prior to working any hours other than Monday through Friday, 8:00 a.m. to 4:00 p.m. If at any time during the term of the Contract, the Contractor in the opinion of the Owner fails to take all reasonable steps to expedite the work, the Owner may unilaterally nullify the Contract.

## 7. RESPONSE TIME

- 7.1. All scheduled preventative maintenance shall result in a technician being on the job site at an agreed upon time and date with the Contractor and the authorized representative of the County of Rockland.
- 7.2. When contractor is informed by the owner that emergency service is required, the contractor must take whatever steps are necessary to expedite work including overtime work, evenings, weekends and holidays. All calls for service shall result in a technician being on the job site within 3 hours of call.
- 7.3. If at any time during the life of the contract, the contractor in the opinion of the owner fails to take all reasonable steps to expedite the work, the owner may unilaterally nullify the contract.

## 8. QUALITY

- 8.1. All work shall be performed in accordance with good trade practice by individuals possessing the necessary skills and abilities required.
