DISTRICT SOLETION

#### PURCHASES BY OTHER

#### LOCAL GOVERNMENTS, SCHOOL DISTRICTS, AND NON PROFIT AGENCIES

As per the New York State General Municipal Law, all political subdivisions of New York State are allowed to make purchases through the resulting contract(s). As per Rockland County Procurement Policy, Non Profit Agencies approved to participate in New York State's Contract Extension Program are authorized to make purchases through the resulting contract(s).

- 1. The County of Rockland shall make all contract award information available to other political subdivisions and non profit agencies through our website: <a href="www.rcpurchasing.com">www.rcpurchasing.com</a>
- 2. Any other political subdivision or Rockland County non profit agency will issue purchase orders directly to vendors within the specified contract period referencing the County's contract and shall be liable for any payments due on such purchase orders; and shall accept sole responsibility for any payment due.
- 3. All purchases shall be subject to audit and inspection by the other political subdivisions and Rockland County non profit agencies for which the purchase was made.
- 4. No officer, board or agency of a county, town, village, or school district shall make any purchase through the County when bids have been received for such purchase by such officer, board or agency, unless such purchase may be made upon the same terms, conditions and specifications at a lower price through the County.
- 5. All Bidders shall be on notice that as a condition of the award of a County contract, the successful bidder shall accept the award of a similar contract with any other political subdivision in New York State and Rockland County non profit agencies authorized to use New York State's contracts, if called upon to do so. A listing of approved Rockland County non profit agencies is available on the Purchasing Division's website at www.rcpurchasing.com. The County, however, will not be responsible for any debts incurred by the participants pursuant to this or any other agreement.
- 6. Necessary deviations from the County's specifications in the award of a participant contract, whether such deviations relate to quantities, or delivery points shall be resolved between the successful bidder and the other political subdivisions and Rockland County non profit agencies.

#### **SPECIFICATIONS**

#### 1. Scope of Work

1.1 The scope of this bid is to furnish electrostatic sprayers, Clorox 360 and disinfectant solution or approved equals to the County of Rockland facilities department. The sprayers shall meet all specifications in the specifications section of this bid and will be utilized to disinfect Rockland County Office buildings.

#### 2. General Requirements

- 2.1 Furnish to the County of Rockland electrostatic sprayers and disinfectant solution. Bid shall include all supporting documentation substantiating the devices ability to perform the desired operations in both form and function.
- 2.2 The equipment shall be Manufacturer's standard. It shall be equipped with the manufacturer's equipment and accessories which are included as standard in the advertised and published literature for the unit. No such item of equipment or accessories shall be removed or omitted for the reason that it was not specified in the bid. Standard product items may be removed only where it is necessary to install other items, in lieu thereof, to comply with the specifications listed in this bid.
- 2.3 Material Data Safety sheets required shall be included with bid.
- 2.4 Page # 9 is to be included on any alternate models bid.

#### 3. Brand Name

3.1 The use of a brand name is for the purpose of describing the standard and quality, performance, and characteristics desired and is not intended to limit or restrict competition.

#### 4. Equivalent or Approved Equal

- 4.1 In submitting an approved equal, bidder shall submit two (2) copies of brochures with detailed specifications. This information should be attached directly behind the detailed specifications.
- 4.2 All bidders must submit an item by item listing and explanation of any differences between their product specifications and performance of the equipment specified. All bidders must submit an item by item listing and explanation of any differences between their product specifications and performance of the equipment specified.
- 4.3 In the event, that an alternate is bid, the County of Rockland reserves the right to request a demonstration of the specific model bid. Failure to furnish the demonstration would render the bid for this item non-responsive.
- 4.4 If the bidders submit a bid for specific equipment, equivalent or approved equal products, they must submit Manufacturer's product description and specifications along with a list of three references showing

RFB-RC-2020-082

locations using the exact make and model intended to be supplied. These specifications must include all items listed in the bid specifications.

#### 5. PRICING AND PRICE ADJUSTMENTS

- 5.1 Pricing shall remain firm through the first 12 -month contract period with no adjustments allowed. If the County exercises any of the options of the contract, contractors may submit a request for adjustment on the 12- month anniversary date of the contract. Any request for price adjustment(s) shall be submitted thirty (30) days in advance in writing to the Director of Purchasing. Any and all price adjustments will be limited to the percentage increase in the CPI Index All Urban Consumers for the preceding 12 months. The County reserves the right to reject any request for price increase deemed excessive.
- 5.2 The County of Rockland will make the final determination on whether an increase is granted.

#### 6. Warranty

- 6.1 Equipment shall be warranted against all defect in material and workmanship as specified by the manufacturer. All warranties from the manufacturer shall apply. Bidder shall, as part of its bid furnish its warranty/guarantee for all goods/services to be furnished hereunder. As a minimum, Bidder shall warrant all goods for a period of one year from date of acceptance. Bidder shall be obligated to repair or replace all defects in material or workmanship which are discovered or exist during said period.
- 6.2 Bidders shall include all product and service warranties and guarantees with their bid. Warranty must be for a minimum of one (1) year on electrostatic sprayers with onsite service performed by certified technician.

#### 7. Pricing/Quantities

- 7.1 Prices are to be quoted FOB Destination, including delivery, packaging, handling, and insurance.
- 7.2 All quantities are estimated as bid has ability to be utilized by NYS and local municipalities, non-profits, and school districts.

#### 8. Award

8.1 This bid shall be awarded in total to the lowest responsible bidder meeting stated requirements.

Causes eye irritation.

Indication of any immediate medical attention and special treatment needed

**Notes to Physician** 

Treat symptomatically.

#### 5. FIRE-FIGHTING MEASURES

**Suitable Extinguishing Media** 

X. January 1911

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment

Unsuitable extinguishing media

CAUTION: Use of water spray when fighting fire may be inefficient.

Specific hazards arising from the chemical

No information available.

**Explosion Data** 

Sensitivity to Mechanical Impact

None.

Sensitivity to Static Discharge

None.

Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

#### 6 AGGIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Personal precautions

Ensure adequate ventilation.

**Environmental precautions** 

**Environmental precautions** 

See Section 12 for additional Ecological Information.

Methods and material for containment and cleaning up

**Methods for containment** 

Prevent further leakage or spillage if safe to do so.

Methods for cleaning up

Pick up and transfer to properly labeled containers.

#### 7. HANDLING AND STORAGE

Precautions for safe handling

Handling

Handle in accordance with good industrial hygiene and safety practice.

Conditions for safe storage, including any incompatibilities

Storage

Keep containers tightly closed in a dry, cool and well-ventilated place.

Incompatible products

None known based on information supplied.

#### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Control parameters

**Exposure Guidelines** 

This product, as supplied, does not contain any hazardous materials with occupational

exposure limits established by the region specific regulatory bodies

Appropriate engineering controls

**Engineering Measures** 

Eyewash stations Ventilation systems

Individual protection measures, such as personal protective equipment

Eye/face protection

Avoid contact with eyes. Recommended use of fully enclosed eyewear protections, such as

goggles, when using through the Clorox Total 360 Electrostatic Sprayer.

Skin and body protection

Protective gloves recommended.

Respiratory protection

For prolonged use, use NIOSH approved respiratory protection when using through the

Clorox Total 360 Electrostatic Sprayer: N95 respirator. Respiratory protection must be

provided in accordance with current local regulations.

Hygiene Measures

Handle in accordance with good industrial hygiene and safety practice.
