PURCHASES BY OTHER

LOCAL GOVERNMENTS, SCHOOL DISTRICTS, AND NON PROFIT AGENCIES

As per the New York State General Municipal Law, all political subdivisions of New York State are allowed to make purchases through the resulting contract(s). As per Rockland County Procurement Policy, Non Profit Agencies approved to participate in New York State's Contract Extension Program are authorized to make purchases through the resulting contract(s).

1. The County of Rockland must make all contract award information available to other political subdivisions and non profit agencies through our website: www.rcpurchasing.com
2. Any other political subdivision or Rockland County non profit agency will issue purchase orders directly to vendors within the specified contract period referencing the County's contract and must be liable for any payments due on such purchase orders; and must accept sole responsibility for any payment due.
3. All purchases must be subject to audit and inspection by the other political subdivisions and Rockland County non profit agencies for which the purchase was made.
4. No officer, board or agency of a county, town, village, or school district must make any purchase through the County when bids have been received for such purchase by such officer, board or agency, unless such purchase may be made upon the same terms, conditions and specifications at a lower price through the County.
5. All Bidders must be on notice that as a condition of the award of a County contract, the successful bidder must accept the award of a similar contract with any other political subdivision in New York State and Rockland County non profit agencies authorized to use New York State's contracts, if called upon to do so. A listing of approved Rockland County non profit agencies is available on the Purchasing Division's website at www.rcpurchasing.com. The County, however, will not be responsible for any debts incurred by the participants pursuant to this or any other agreement.
6. Necessary deviations from the County's specifications in the award of a participant contract, whether such deviations relate to quantities, or delivery points must be resolved between the successful bidder and the other political subdivisions and Rockland County non profit agencies.

SPECIFICATIONS

1. SCOPE

- 1.1. The scope of this bid is to contract with an experienced contractor to provide labor, equipment and material for the rental of a dewatering container, as well as the transportation and disposal of sewer grit from the Rockland County Sewer District No. 1 Plant, located at 4 Route 340, Orangeburg, NY on an as needed basis.
- 1.2. The bidder must have the ability to supply emergency repairs to the dewatering container twenty-four hours, seven days a week. Bidder must respond, on site, to emergency repair requests within twenty-four hours of request. Should the existing equipment be rendered inoperable, bidder must supply a replacement unit free of defects within twenty-four hours of said determination.
 - 1.2.1. The cost of all labor repairs and parts are the responsibility of the bidder.
- 1.3. The Contractor must provide a contact name and phone number of the person assigned to receive notifications and process service requests from Rockland County during normal business hours. Answering services and emails are acceptable secondary means of communications during the off hours.

2. TRANSPORTATION AND DISPOSAL REQUIREMENTS

- 2.1. The Contractor must have sufficient trained personnel, equipment inventory, and facility to provide rental and disposal services within 48 hours from the time of the service request. At no cost to the County, the contractor must be responsible to obtain any permits, training certificates, qualifications for the transportation and disposal of sewer grits. It must be the Contractor's responsibility to comply with any and all applicable regulations.

- **LICENSES & PERMITS**

The Contractors must submit with their bid the following information:

- Name and location of the site of sludge disposal site and a permit authorizing access must be uploaded with the bid.
- All the permits, licenses and paperwork, necessary by any local, state, and federal regulations or requirements to perform the specified work.
- The Contractor is responsible for maintaining all required permits. Should the sludge disposal site change, the Contractor must notify RCSD# 1.

3. PRICING

- 3.1. Bidders must submit a monthly and a weekly rental rate for the dewatering container.
- 3.2. Rental rate must include delivery and pickup of the dewatering container.
 - 3.2.1. Bidder must submit a per load price for the transportation of dewatered sewer grit and a per load price for off-hours emergency transportation requests authorized by RCSD#1 representative.
 - 3.2.2. Bidder must submit a per ton price for the disposal of dewatered sewer grit and per ton price for incidental disposal of solids other than sewer grit as authorized by RCSD#1 representative.
- 3.3. All quantities listed on the proposal pages are estimates. RCSD#1 must authorize the delivery of a dewatering container, transportation and disposal of dewatered sewer grit on an as needed basis.

|---|-----------------------------|

4. RENTAL PERIOD AND BILLING

- 4.1. The rental period must begin on the day the dewatering container is delivered to the main plant in Orangeburg NY.
- 4.2. The rental period must be terminated at the close of business on the date an authorized representative has notified the contractor to pick-up the dewatering container.
 - 4.2.1. The rental period must not automatically renew or extend if the contractor does not pick up the dewatering container after the termination of the rental period.
 - 4.2.2. Rental period of 21 days or less must be billed at the weekly rate.
 - 4.2.2.1. Any incomplete month during a rental period, must be billed at the weekly rate.

5. GENERAL

- 5.1. Bidders are encouraged to visit the site. Site visits can be arranged by calling Mr. Josue Thomas at (845) 365-6111. Contractors must perform as specified whether or not they visit the site.

6. EXPERIENCE

- 6.1. Bidder must have a minimum of three years experience providing the specified services. Bidder must complete and upload the certificate of experience form included in this specification.

7. INVOICES

- 7.1. All rental and work must be invoiced and paid, as bid, on the proposal page.
- 7.2. The County of Rockland must receive detailed billings within fifteen days after completion of each job.

8. USE OF PREMISES

- 8.1. On or about the premises and adjacent areas, the Contractor must ensure that all apparatus, storage of materials, and activities of workmen be confined to the limits indicated by law, ordinances, permits and the direction of the authorized County of Rockland representative, and must not encumber or permit the premises or adjacent areas to be encumbered with such materials or apparatus.
- 8.2. The work site must be kept in an orderly and safe fashion so as not to interfere with the progress of the work or the work of any other Contractor.
- 8.3. The Contractor must be responsible for repairing and replacing anything damaged by his operations, within thirty (30) days after notification by the authorized County of Rockland representative that damage has occurred.
- 8.4. It will be the responsibility of the Contractor to report, to the authorized County of Rockland representative, any damages found prior to any work at this site.

9. CLEANING UP

- 9.1. The Contractor must at all times keep the premises and adjacent areas free from accumulations of waste material or rubbish. At the completion of the work, he/she must remove from and about the premises, including adjacent areas, all rubbish, tools and surplus materials used for work and must have the area "Broom Clean" and ready for use. In case of a dispute, County of Rockland may remove rubbish and clean up, then may charge the Contractor either by deduction of amounts
