PURCHASES BY OTHER

LOCAL GOVERNMENTS, SCHOOL DISTRICTS, AND NON PROFIT AGENCIES

As per the New York State General Municipal Law, all political subdivisions of New York State are allowed to make purchases through the resulting contract(s). As per Rockland County Procurement Policy, Non Profit Agencies approved to participate in New York State's Contract Extension Program are authorized to make purchases through the resulting contract(s).

1. The County of Rockland shall make all contract award information available to other political subdivisions and non profit agencies through our website: www.rcpurchasing.com
2. Any other political subdivision or Rockland County non profit agency will issue purchase orders directly to vendors within the specified contract period referencing the County's contract and shall be liable for any payments due on such purchase orders; and shall accept sole responsibility for any payment due.
3. All purchases shall be subject to audit and inspection by the other political subdivisions and Rockland County non profit agencies for which the purchase was made.
4. No officer, board or agency of a county, town, village, or school district shall make any purchase through the County when bids have been received for such purchase by such officer, board or agency, unless such purchase may be made upon the same terms, conditions and specifications at a lower price through the County.
5. All Bidders shall be on notice that as a condition of the award of a County contract, the successful bidder shall accept the award of a similar contract with any other political subdivision in New York State and Rockland County non profit agencies authorized to use New York State's contracts, if called upon to do so. A listing of approved Rockland County non profit agencies is available on the Purchasing Division's website at www.rcpurchasing.com. The County, however, will not be responsible for any debts incurred by the participants pursuant to this or any other agreement.
6. Necessary deviations from the County's specifications in the award of a participant contract, whether such deviations relate to quantities, or delivery points shall be resolved between the successful bidder and the other political subdivisions and Rockland County non profit agencies.

5. PAYMENT REQUIREMENTS

- 5.1. The Purchasing Department will issue purchase orders for all repair work. Do not undertake any repair or installation without getting a purchase order first.
- 5.2. INVOICES - the successful bidder shall be paid for each repair authorized by the County of Rockland upon submission of properly executed invoices. Invoices shall be submitted according to the requirements listed below:
- 5.2.1. Labor Charges - the invoice must list specifically the number of man-hours worked. The contractor's labor charges must correspond to the rates, submitted with their bid. The bidder agrees and hereby certifies that all labor contained in the bid's invoices shall be only those that were required and necessary to complete the required repair work.
- 5.2.2. Material Costs - the invoice must list specifically all parts that the contractor has purchased from other sources and the cost to him for each. The County of Rockland requires verification of these costs, for parts costing \$500.00 or more; by copy of the invoice as submitted to the contractor for payment. By submitting a bid, the bidder agrees and certifies that all parts and materials which he purchases shall be at the lowest price available at the time considering the prevailing conditions and circumstances for which it is required that the purchase be made. All parts must be new and of first quality.
- 5.2.3. Markup - The contractor shall add a fixed percentage above the described material charges to the invoice for payment. The percent markup shall not exceed 20% for OEM parts, 5% for new or rebuilt engines & transmissions and 20% for all other parts and materials. These percentages must correspond to the figure entered in the proposal to this bid. Invoice must show contractor's cost and markup cost.
- 5.2.4. Additional Items - If a contractor expects to incur any additional costs not specified in the above paragraphs, he must submit a list of these items and corresponding charges or schedule with his bid. No other costs except those placed in the bid proposal at the time the bid is submitted shall be evaluated, considered, or deemed acceptable charges by the County of Rockland.
- 5.2.5. The invoices shall certify that all maintenance requirements specified in the bid have been performed.
- 5.2.6. The purchase order number must be listed on all invoices submitted for payment.
- 5.2.7. Detailed descriptions of all repair work must accompany all invoices including the identification of the specific boat.

6. PRICE INCREASES

- 6.1. In the third year of this agreement, at the County of Rockland's option, the Contractor may receive a Unit Daily Cost increase not to exceed the prevailing CPI-U. The decision of the County of Rockland is final and binding. At the option of the County of Rockland, this contract(s) may be extended for three additional one- year terms with the prevailing CPI increase.
- 6.2. CPI-U means the Consumer Price Index for the U.S. City Average-Consumer Price Index for All Urban Consumers as published by the Bureau of Labor Statistics of the United States Department of Labor or a successor or substitute index, appropriately adjusted.
